-------------------	--

#### 1. Background

a. The Naval Special Warfare Community includes enlisted personnel qualified for and assigned Secondary Navy Enlisted Classifications (SNECs) 5320, 5323, and 5326. Additionally, these personnel carry the enlisted designator (SEAL). Once qualified, personnel perform special warfare operations as SEAL combatant swimmers.

b. Tour lengths and rotational patterns for SEAL team personnel are as follows:

(1) Sea/shore rotation is based on a ratio of sea duty to shore duty billets. Currently this ratio dictates 5-year sea/2-year shore tour lengths within the SEAL team (SNEC 532X).

(2) Department of Defense (DoD) area tour for overseas assignments.

#### 2. Requirements/Qualifications

a. Personnel desiring to become members of the SEAL Community must meet the qualifications contained in the following:

(1) NAVPERS 18063F, volume II, section II.

(2) MILPERSMAN 1220-100 through 1220-330.

(3) NAVMED P-117, article 15-30.

b. Completion of NAVPERS 1306/92 (Rev. 04-03), Special Program Screening Form, Exhibit 1 of MILPERSMAN 1306-900 is not required.

c. Required obligated service (OBLISERV) for this program is 51 months.
